The Birthday Cup

Educated at Government college Lahore and Baliol College Oxford, Prem Kirpal has served as professor of History at the Punjab University in Lahore, Educational advisor to the Indian High Commission in London, Secretary General of Indian Unesco Commission, Director of Unesco's Department of culture in Paris, Secretary to The Government of India in the Ministry of Education and culture, Director of the National Council of Education Research and Training, Member of the Indian Education Commission, Senior specialist of the East-West centre in Hawaii, World Bank Consultant in Education, etc. etc.

He was member of UNESCO'S Executive Board and was elected its Chairman; he led several Indian delegations to International conference on education and culture. At present he is President of the International Educational Consortium, Executive Counsellor of the University of Delhi and Chairman of the Delhi Public School Society. He is the author of several books, and has written extensively in the fields of Education and culture. He received honorary doctorates from Universities of Temple (Philadelphia), Leningrad (U.S.S.R.) and Punjab, and several national and international awards.

This is Prem Kirpal's first exhibition of paintings of the last decade when he also wrote and published poetry.

Love's Light

The Noble Kirpal

His admirer

Peter

PREM KIRPAL'S Sketch by Peter USTINOV

Comments:

Francois Gilot :

Prem Kirpal's sensitive strokes of the kalam evoke and assemble energies spread about in the cosmos and transform them into beings.

Amarnath Sehgal :

Prem Kirpal weaves with sensitivity of brush and pen his visionary dreams into colourful rythmical patterns reflecting fluidity and ease without any constraints and inhibitions.

Consciousness
