Dear Sh. Rebeiro,

I am indeed very grateful to you for having served as a member of the Foreign Students Advisory Committee from July 1986 to May 1991.

With your help the Foreign Students Registry performed the activities related to admission etc. for foreign students very effectively. I on behalf of the University of Delhi and on my own behalf record our appreciation for the same.

With best wishes,

Yours sincerely,

(A. S. NARAG)
